

The University's waste from a single year...

Fact 1

...weighs as much as the **London Eye**

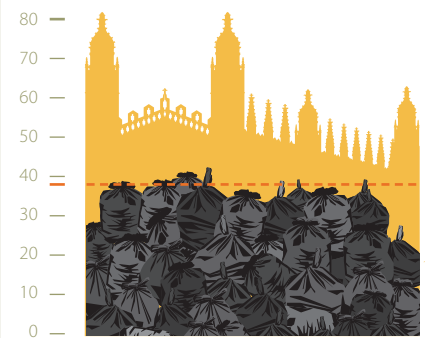

Fact 2

...would require **6,128** punts if it was taken away on the River Cam!

Fact 3

...would fill King's College Chapel to a depth of **37 feet**

Fact 4

University staff and students put over **1,000** tonnes of recyclable waste into the wrong bins every year, or

the equivalent weight of **two buses** every week!

We aim to recycle **95%** of our total waste.

Visit www.environment.admin.cam.ac.uk/recycling to find out how you can help achieve this.
