

# Release your inner Delia!

February is Spotlight on Sustainable Food month and Environment and Energy is running a sustainable food recipe competition with a prize of a meal for two.

Sustainable food has a low environmental impact. Sustainable food recipes can include:

- Non-ruminant meat
- Vegetables
- MSC certified fish
- Fairtrade products

A full list of requirements is available in the University's Sustainable Food Policy.

<http://bit.ly/2jbHs2c>

If you would like to enter please email your recipe to [environment@admin.cam.ac.uk](mailto:environment@admin.cam.ac.uk) by 5pm on the 28<sup>th</sup> February

THE CAMBRIDGE *green*  
CHALLENGE
